CENTRAL ASIA

THE PAMIR HIGHWAY, THE ULTIMATE DREAM

Picture yourself riding the legendary tracks of Central Asia, across Kyrgyzstan, Uzbekistan and Tajikistan, through the Celestial Mountains and the majestic Pamir range.

This raid takes you along the legendary Pamir Highway, an exceptional route that demands riding skills to match its reputation. But the reward is worth every effort.

Mile after mile, you will dive into the cultural wealth of the Silk Road, with a highlight stop in Samarkand, where history and adventure meet.

Mostly on off-road tracks, every bend promises a new wonder. Much more than a motorcycle trip: an epic journey that will make your heart beat to the rhythm of the wheels.
